## DETAILED ACTION

### *Amendment*

1. Receipt is acknowledged of the amendment filed on May 28, 2004. In the  
5 amendment, claims 9, 10, 23, 25, 26, and 28 were amended. Currently, claims 9-21, 23,  
25-28 remain for examination.

### *Allowable Subject Matter*

2. Claims 9-21, 23, 25-28 are allowed.
- 10 3. The following is the Examiner's statement of reasons for allowance: the claims  
are directed at a remote barcode reading system. As indicated in previous Office Actions,  
such remote reading system is generally known in the art. However, the cited references,  
taken alone or in combination, fails to teach or fairly suggest a remote reading system  
comprising a cover member separate from the indicia, which is transmissive to the  
15 infrared illumination and non-transmissive to visible light such that the reflected medium  
beneath the cover are substantially undetectable to human eyesight as set forth in the  
claims.

Any comments considered necessary by applicant must be submitted no later than  
the payment of the issue fee and, to avoid processing delays, should preferably  
20 accompany the issue fee. Such submissions should be clearly labeled "Comments on  
Statement of Reasons for Allowance."
